

Would you prefer it if I used romaji for things like sfx and words that are unique to Japanese (ore, boku, kyaa, hii, eeh, dokan) *instead of* translating them?

Please tell me your thoughts~ (on Batoto)

Thank you for the kind comments, they give me hope qwq

I seriously

About that whenever Junpei interferes, in the end, I understood that I can't get a girlfriend.

He really likes me.

Rather than that, Gendo can wonder if you're able to get a girlfriend if you say you're going out with me?

If you hate that, isn't it bad if we left them alone?

Everyone thanks me and you are dating.

But isn't Al-chen.

In that case, it's natural if we pretend to be lovers, right?

It's fine.

Because at the club, Junpei always made me get along with you, and is always together...

Right.

The both of us really

are being troubled by Junpei.

Just!

Seriously, these two need to be taken care of.

Isn't it stupid to me that you guys were saved?

When do you mean this two of you are being troubled?

Al-chen.

That's fine.

Because I don't have anyone to read right now.

Because Junpei wants to talk and be with Gendo-san.

It's impossible.

But, though it would help us... Al-chen, what about a boyfriend?

We can't do that.

I suppose
maybe you are
a downer...

Another
layer of
black
received...

Another
layer of
black
received...

Ah~

?

before you
realized it
it became
a deep
relationship...
or something
like that...

or...

it's...
something
that
Pakunaga has
inside her

that
means

If I could
sometimes get
smack kicked
or punched
by you

It can't be
helped even
if I went
ahead and
liked you
huh?

that
would be
fine

So it's
like
that

Ah~

About Mahe
he thinks you
have split
personality

Isn't 'which
personality
is going out
with Gotha?'
what he wants
to find out?

Like
this
maybe?

I also
like
Gotha-can

You and
Mahe-kun

Therefore it's best
to say clearly so he
can understand that
he has to help an elf

I
understand

Gotha was
going out
with me
while knowing
about my
split personality

Surprise!

2 people left?

See you

I know!

.....

You're quite color-

Princess-
You woke up?

Oh~

Whoa

Ah!!

What?

Don't worry!
I have better
technique
than Doctor!

Do you understand
what will
happen from
here on?

But
4 people
here...

Wait!
4 people to
fight with
As-chi is
strange!
Probably...

There
goodness
I'm able
to take
control of
consciousness

For now
As-chi is
unconscious

Out of wisdom
I'll suppress
the first idea
for a while

Surprise

is it there
to surprise
me?

is it there
to surprise
me?

AYAYE~!!

This is
seriously
troubling

If that
guy on

Oh
That
we'll be
going

The rest
of you
need to be
careful!

Call Asaka
out and tell
him that his
girl was
abducted

My
sister

My
sister

With this
not even I
can enjoy
it

I have to
wake up
and escape
somehow!

Oh so
did I make
Horusu
worry?

We should
be a clean kid.

Abs-
oh

and
Gouko
there's
blood
around
this
man

It looks
disgusting
around
here

but hey
I had
a stain from
lying
down

With
this
it's okay!

Even though
it's okay
looking
like this

What
kind

Wanna
go to the
house's
office?

キーン
コン
キーン
コン

That's
right!

Remember
you're a
little
sensitive?

You
could
you
be...

はっ

But hey
Gouko what
kind of grudge
would make
us do something
like this?

I
don't...

has been
living as
a shut-in

and
it's
your
fault

My brother
ever since
that incident
